CCLI SCHOOL BASED MEETING AGENDA
DATE:

Goal:

Time	Welcome / Warm-up	Rotating fun Question
	Learning from Students	Everyone on the team should have brought at least one quote they heard from a student during their listening session
	Choose what you want to focus on as a team:	*CCLI facilitators provide a menu of items for the team leads to pick from, as well as space for other options.* *We then break these items out into different sections of the agenda titled by areas of work (Learning from Students, College Knowledge, Financial Aid Completion, etc.)*
	Action commitments for next meeting	
	Updates & Closing	Next meeting date:
Total Time 90 min.		

*Our team takes notes during the meeting on this document and it includes each monthly meeting's agenda. The document lives in their team's Google Folder so that folks can always access it. At our team leads meeting we work to determine the agenda together, as well as leads within the same school district work together while planning their meetings to continue district alignment.
